

**New Smyrna Beach Garden Club
New Smyrna Beach, FL 32170-1648**

**Application for
Certified Monarch Butterfly Sanctuary Garden**

Thank you for your interest in our Monarch Butterfly Program. A Garden Club Member will contact you to set up a date and time to certify your garden. A donation of \$25 to the New Smyrna Beach Garden Club will be collected when your garden is certified. In addition, you will receive a certificate and sign identifying your garden as a Certified Monarch Butterfly Sanctuary Garden. See other side of the application for further information on host/larval and nectar plant requirements.
